Aluminium

Lightweight, strong and durable – these are just three reasons why aluminium is a great choice for bi-folding doors.

Aluminium offers you choice and unsurpassed quality, whether you want to match slim historical steel windows or create an architect designed masterpiece. We offer an unlimited range of colours in a variety of finishes and a choice of over 85,000 components, aluminium is perfect for that special project.

We manufacture aluminium bi-fold doors in our own bespoke factory

Stunning Bi-fold Doors

Bi-fold doors are typically a set of 2 or more standard size glass doors that open in a concertina style and neatly fold flat when open. Unlike a sliding patio door that remains only half open, bi-fold doors fully open to seamlessly connect your living space with your terrace, patio or garden.

Our sleek aluminium framed bi-fold doors come in a range of contemporary colours and are designed to complement your home. Super energy efficient, they will keep the heat in and reduce outside noise levels whilst still leaving a stunning impression.

Stylish and perfectly engineered

Made to measure in our state of the art facility

2/3 Pane

4 Pane

No External Access

5 Pane

6 Pane

No External Access

Bi-folding doors can also be stacked inside or outside the frame and open from the left or right, the choice is yours.

Enjoy an effortless style

Add the WOW factor to your home and seamlessly merge your garden and living space with the slim aluminium frames and maximum glass of our bi-fold doors. Each door leaf folds smoothly onto each other and is held firmly in place with magnetic pads to allow in maximum light and uninterrupted views.

Transform your home with beautiful folding doors

Strong & secure

The combination of a multi-point locking system, locking shoot-bolts, high security hinges and thermally toughened glass mean our bi-fold Doors are designed to keep the whole family safe.

We refuse to compromise on quality

COMPONENTS

Our windows are made from British Made, high quality Marinespec™ components, with up to 25 years anti corrosion. They are built specifically for coastal environments to give you worry free performance beyond your guarantee. Find out more at www.marinespec.co.uk

MANUFACTURING

We have invested millions of pounds into one of the most state of the art manufacturing facilities in the UK. This enables us to provide you with consistently high quality products at exceptionally good prices.

Our expert factory workers are well trained and take pride in their work, they really care about quality.

SERVICE

Our sales consultants, surveyors, admin team and installers really care about you and your home. They are highly trained, motivated and want to go the extra mile to do the best possible job.

Our fitters will treat your home with care and respect and will take time to ensure that you are delighted with the end result.

Quality without compromise

We believe in 100% customer satisfaction and have built a solid reputation for quality and reliability in everything we do.

Professional reliable & friendly

When you order windows, doors or a conservatory from us you know that our fitters will take care and treat your home with respect.

Peace of mind

We confidently guarantee both the performance of our products and the quality of your installation, so you can relax, safe in the knowledge that you've made the right choice.

Our windows, conservatories and doors conform to the appropriate British Standards.
